

St. Luke's & St. John's

Proclaiming Christ in Devon

Dearest friends,

Last week we celebrated the feast of Our Lady of Lourdes - In 2018 I took my first pilgrimage to Lourdes. I was expecting - as many people had told me - the Disney Land of the Roman Catholic world. A place rammed full of souvenir shops and tourist traps - not a place of prayer and healing.

'Many people' were entirely wrong (as they often are). From the moment Fr. Sam and I arrived in this tiny Pyrenees town we felt the powerful sense of prayer.

Prayer that has happened for so long and so hard that it had worn the world between this one and the next thin.

A sense that God was listening, that Our Lady was there with Her hand held out to take us to Her son.

Each evening we would gather for the Rosary walk. This procession had thousands and thousands of people - all praying the same prayer in their own language. It gave me a real sense of the world-wide faith of Jesus Christ and it was powerful!

As we journey into Lent, Our Lady gives us an opportunity to give thanks for all of those people who have traveled to any Marian Shrine and found healing in the waters, who have found healing in the prayer, who have found healing in the peace.

As I return from my own pilgrimage to another Marian Shrine (Walsingham) - another place worn thin through prayer - I will continue to pray for each of you, for your health, your peace, your care, and most of all, that your love may be known amongst your friends and family as that of Christ himself.

In love,

Fr. Matthew
